CORRECTION

CLOSURE SCHEDULED FOR RAMP WIDENING

SAN BUENAVENTURA - Caltrans announces the closure of up to two northbound lanes of the Ventura Freeway (US-101), from Telephone Road to Victoria Avenue, and the northbound US-101 at Telephone Road off-ramp, due to re-striping the freeway lanes. The work will commence nightly, Sunday, April 10 through Tuesday, April 12, from 7 p.m. until 6 a.m., weather permitting.

The project will widen the northbound US-101 at Telephone Road off-ramp to two lanes. This first phase of the project will restripe freeway lanes to enable the placement of concrete barriers (K-rail) on the northbound shoulder of the US-101 freeway.

This project is expected to complete July 2005.

Caltrans has issued an encroachment permit to the City of San Buenaventura for this closure.
